

INTERNSHIP EVALUATION
IYIP Alternatives
End of internship

In a flowing text, we ask you to redact a short internship report (max. 5 pages) in which you come back on your whole professional experience. To help you, you can use the following guidelines.

1. The organisation and its field of activity :

Indicate the mission and history of the organisation.

2. The internship

2.1. The missions : responsibilities, tasks, projects.

- *Amongst the tasks you have had to accomplish, which ones did you like the most, and which ones did you dislike ?*
- *Did you participate to any conference / symposium as part of your internship ? If yes, which ones ?*
- *Did you write any reports, blogs, minutes or abstracts ? What was it about?*
- * *If available, please share the weblinks to your work. **

2.2. Review :

- *What were the biggest difficulties you've encountered, and what solutions did you find to overcome it?*
- *What lessons/learning did the internship bring you?*
- *Have you achieved your professional and personal goals ?*
- *Would you say that this internship helped you to develop your thoughts and knowledge about the use of ICTs in advocating for human rights ?*

2.3 Future job :

- *What job / studies will you look for after your internship ? Did the internship help you clarify your objectives and interests ?*

3. Personal appreciation

Deadline to submit this report : April 16th, 2019

THANK YOU!
